The Crows' Duties

Carry supplies of fuel to isolated Army and Air Force Posts, missions and Coastwatching stations. From Wyndham (Alex Walker) to the Gulf of Carpentaria near the Queensland border.

The Crows' shallow-draught plus lieu of Meridius expert navigation skills allowed the ship in and out of restricted bays and inlets.

Two Boats

1. Lanky lifeboat salvaged from the wreck of the Koolana at Wyndham.

2. A motor whaler left behind in Darwin by the USS Houston (with HMAS Perth sunk in the Sunda Strait).

3. 'Rat-ha-goll' drums, 6-square
